Dimensions: 9.7in. x 7.4in. x 0.1in.GAO reviewed the Armys efforts to improve the integration of manpower, personnel, and training (MPT) into its weapon systems acquisition process. GAO believes that: (1) the Army must effectively integrate MPT into the weapon system acquisition process to ensure that, once weapon systems are deployed, they can be properly operated and maintained; and (2) the Armys lack of centralized MPT management impedes its MPT improvement efforts. GAO found that a number of studies by the Army and other organizations have identified major systemic MPT problems that adversely affect the Armys ability to integrate MPT into the systems acquisition process, including: (1) a lack of leadership in MPT integration; (2) failure to identify MPT requirements early in the acquisition process; (3) failure to define MPT needs for contractors designing weapon systems; and (4) a lack of contract incentives for good MPT planning. GAO also found that the Army is improving its MPT integration efforts by: (1) clarifying the roles of certain key officials in the MPT integration process; (2) testing techniques to identify MPT needs early in the acquisition process; and (3)...
