Paragon Publishing, United Kingdom, 2013. Paperback. Book Condition: New. Abi Mason (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Soggy Saga of Samuel Sprat (and his cat) - an adventure in verse. SAMUEL SPRAT is a charming tale, and I love the illustrations. I'm sure kids would love it. Pirates, cats, evil machinations - what's not to love? - Joanne Harris (Award winning author of Chocolat) Martin is retired now after a patchwork career as an editorial assistant, teacher, student house warden, freelance BBC researcher, minicab driver, before a step change to vicar then hospital chaplain. As a sportsman he ran in the Mexico Olympics. He is involved now as a spiritual director in the Ripon Leeds Diocese, living with his wife Sue in Bramhope, West Yorkshire. They have four children, three grandchildren and three cats. Abi loves to create personalised and nostalgic little worlds through her collages, paintings and three dimensional models. She is inspired by beauty found in small things; cherry blossom, vintage buttons, a scrap of floral material or old text, to name a few. Having studied Illustration at university, Abi now works in the Art Room at Caring for Life, a Christian charity based in Leeds where she lives. This charity aims to share Jesus's love in very practical ways with damaged, hurting and vulnerable people, and encourages them to develop gifts and creativity they never knew they had. Absolutely wonderful. Very creative. -KS2 teacher Other publications: Main contributor to Nursery Rhymes Old and New (Deans 1972) Bedside Manna (Spiritual healthcare) Owliviah (with Roger Cressey) Never Rely on a Lion .!.
